

EDUCATION IS A FAMILY AFFAIR

Pledge of Responsibilities for Faculty, Parents and Students of Millwood School

The mission of Millwood Elementary School is to empower students to achieve academic excellence and become responsible, respectful citizens. To achieve this mission we will provide a challenging and diverse educational foundation in a safe and nurturing environment.

Faculty and Staff

I will be a positive role model. I will reward and recognize good behavior, provide consistent, fair discipline and encourage family involvement in my school. I will share my love of learning and knowledge by teaching with enthusiasm. I will have high expectations for all students and provide them with opportunities to be successful. I pledge to maintain an open-door policy for parents at all times and to establish open lines of communication with parents concerning their child's performance.

Parents (Guardians)

I understand that the home is the first school and that the parent is the first teacher. Therefore, as a parent (guardian) I will be actively involved in my child's educational activities, and maintain open, honest communication with the school. I will communicate positive values and model honesty, trust, integrity, compassion and fairness. I will provide a supportive home environment in order to ensure success at school.

Students

I promise to respect others, accept responsibility for my behavior, come to school prepared to learn, set high goals for myself, practice honesty, ask for help when I need it, and be the BEST that I CAN be by realizing that it's up to ME.

We agree to support the above statements to the best of our abilities to fulfill the mission of Millwood Elementary School.
