

Interested in Registering for Preschool?

FIRST, you MUST provide the following documentation:

- Student's birth certificate (The school can make a copy for you, if necessary.)
- Student's **UPDATED** immunization record from their doctor
- 2 Proofs of residency (**TWO** (2) documents that show the guardian's name and the address that is listed for the student on the enrollment form. This can be utility bills or a mortgage/lease agreement...(NOT a driver's license nor junk mail)
- Student's Medicaid card (The school can make a copy for you, if necessary.)
OR if the student is not on Medicaid, proof of total household income (paystubs) for 1 month or recent W2(s) for the household. (*Please see chart below for eligibility if not on Medicaid.)
- CERDEP and Home School registration forms, completed

All documents are included in the online registration on our district website. If you have any issues, you may contact your home school for assistance.

You will then be contacted by a Preschool teacher from your home school and given a testing/orientation date for your child. A parent/legal guardian MUST accompany the child to testing.

***Family income must be at or below 185 percent:**

Number of Persons in Family or Household	185% of Federal Poverty
